

Number of Women Killed by County

2006

The Texas Council on Family Violence (TCFV) researches, to the best of its ability, the stories of women who were killed by their intimate partner in Texas. This list names these victims and gives brief accounts of their deaths. Details are gathered from public records, including the Texas Department of Public Safety's Uniform Crime Report-Supplemental Homicide Report, media articles and Texas law enforcement agencies. There are, undoubtedly, other victims of domestic violence who remain uncounted. Authorities will sometimes refer to the offender as an "acquaintance" or "unknown" because the relationship was not determined at the time of death. The list below reflects the most accurate information available to TCFV researchers at the time of compilation.
